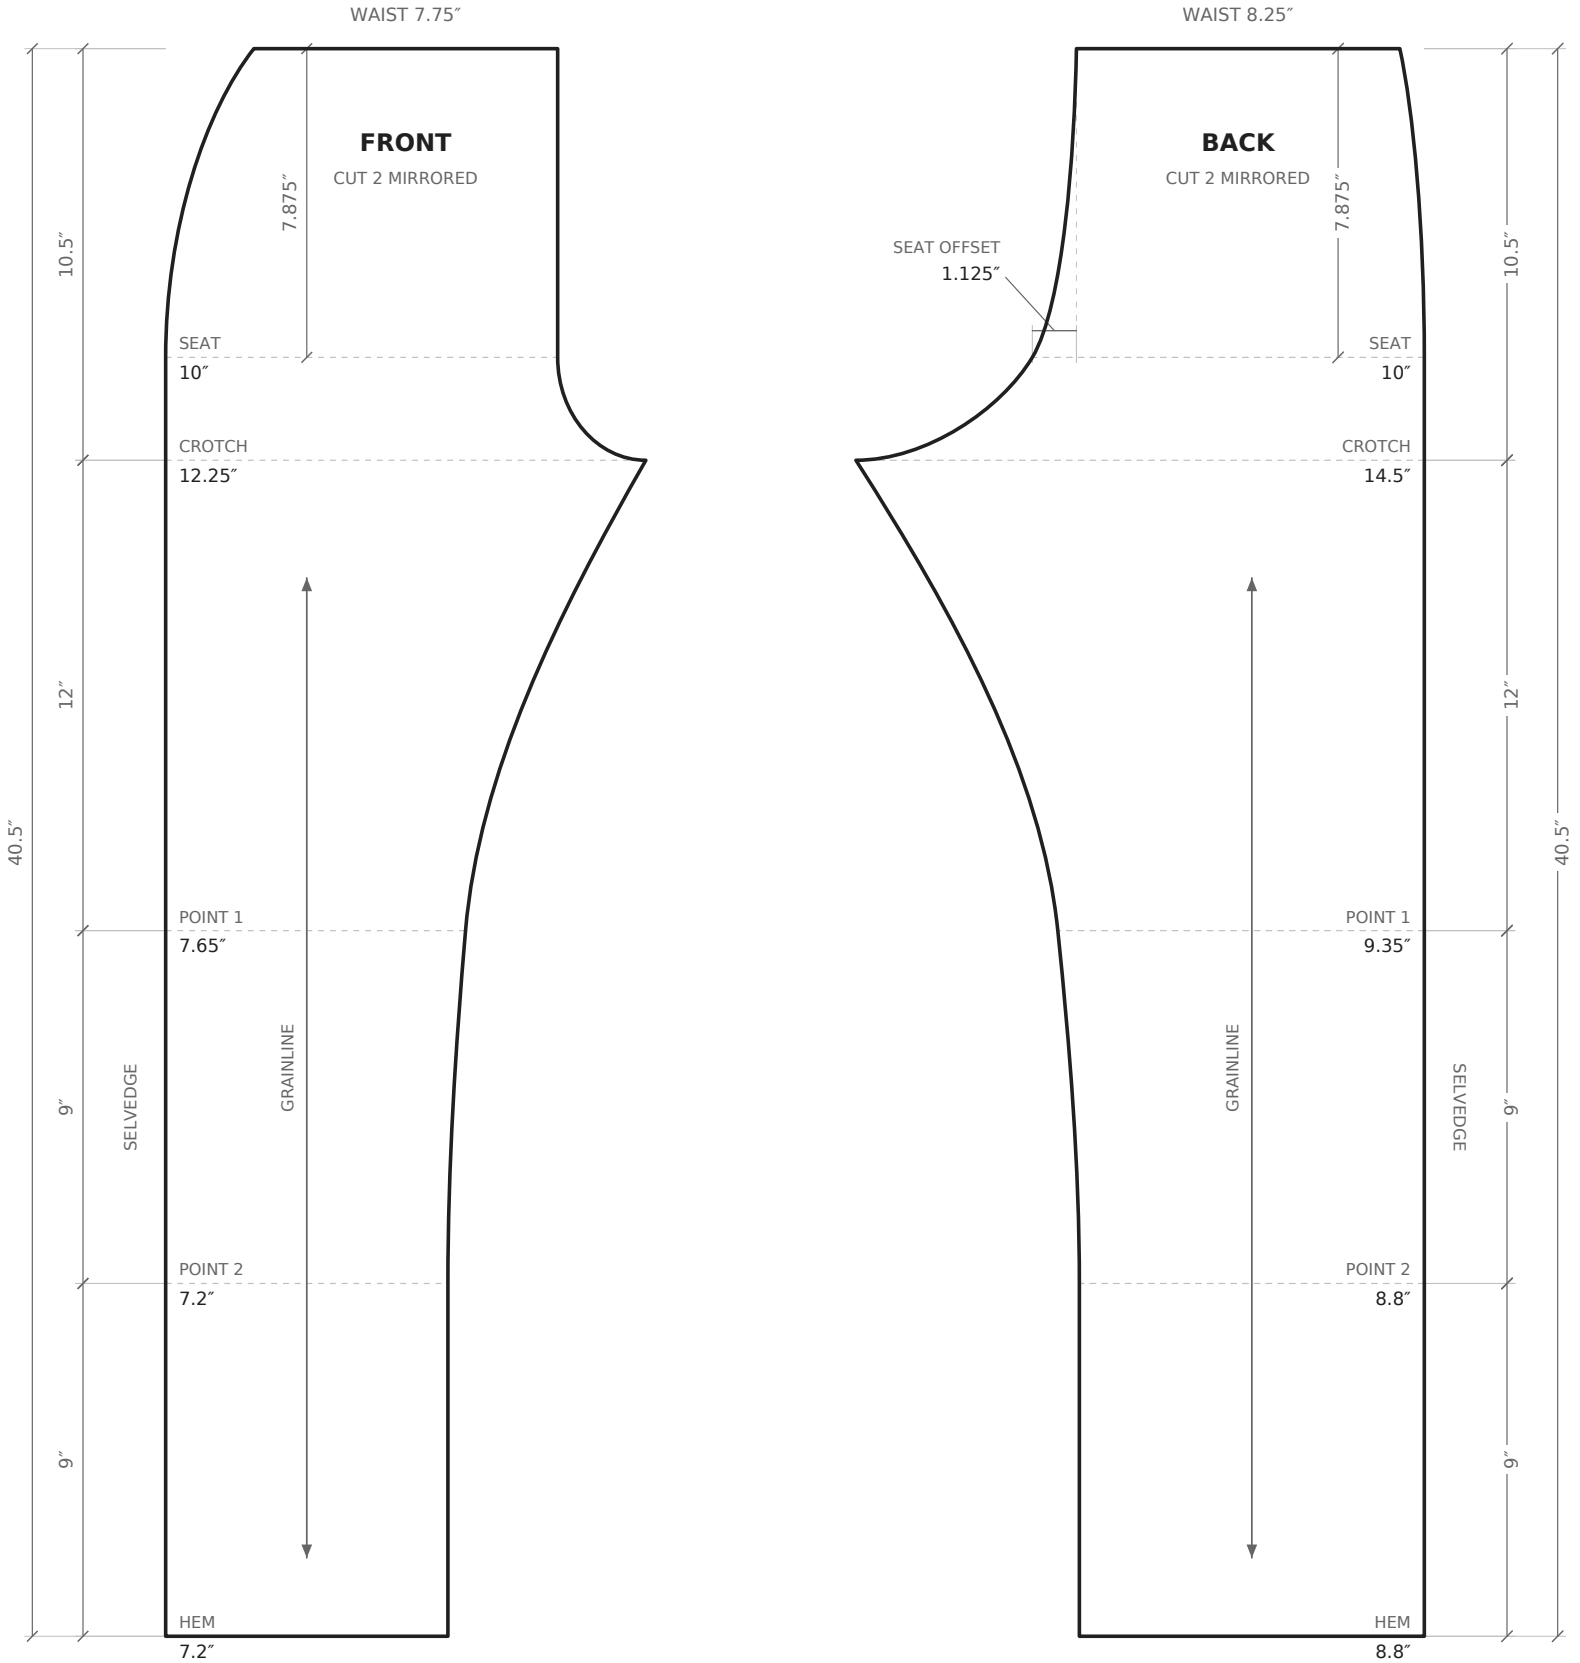
SELVEDGE PANT PATTERN

Front and back panels · no darts

CALCULATOR GUIDE

TEST DRAFT 32″ waist / 40″ seat / 42″ total length



All levels start below the band. Panel 40.5″ + finished band 1.5″ = total 42″.

Keep the lower outseam on the selvedge. Add allowances, then cut mirrored pairs.

Reduced visual example. Dimensions are in inches; cutting allowances are separate.
